JUNE

2021

From the Pastor's Desk

It's June. The birds are chirping. Children are playing. People are back in church. Things seem like they are getting to whatever our new normal is. I don't know what this new normal is going to be for you, but for me, it seems to be good as of this moment in time. Things will not be as they were in March 2020. In fact, things will not be as they were in March 2021. Things will continue to evolve and grow and change. Why? Because we have been able to embrace change within the church that has brought people to a life in Christ who were not a part of a worshiping congregation prior to now. We have been able to learn a new way to be about being the church that is not building centered. We have been able to learn how to embrace technology. We have been able to do something new.

When Jesus first began his public ministry and throughout his life of ministry, he was always presenting things in a way that indicated that change had to happen. He was the embodiment of change in the lives of people of faith. Jesus was the embodiment of embracing change from an old way to a new way. Jesus set an example and led the way for change to happen. Sure, he wasn't always popular with the politicians or the temple leaders, but he brought about a new understanding for people about who the Messiah truly was to be (not a king to change things, but the King of kings who was a part of the triune God). Jesus brought about change and those who believed he was the Messiah, followed him, learned how to embrace the change and saw things in a new way in their day and time.

Jesus has led the way for us to continue to embrace the change, to find new ways to reach others for the sake of Christ in the world, to find new ways to share the gospel of Christ with the world, and to find new ways to make disciples of Jesus Christ. May we continue to embrace the change and meet new disciples along the way.

Grace and Peace,
Pastor Angie

Community Garden Update

Biblical and Native American herbs are blooming and the tomatoes are coming in strong! It is such a joy to see this garden come together and produce good fruit. Come! Be a part of the labor and the rewards. We are still in need of a few folks to help with our garden that will help feed people in our community. If you can help with any aspect of the garden, even if it is simply spinning the compost tumbler, please call the office.

A PLANTING PARABLE

Jesus had to explain his Parable of the Sower to the confused disciples.

Directions: Use the word bank to answer the clues. Then fill in the correct words below to complete Matthew 13:23, NIV.

WORD BANK: sow, soil, wither, root, thorn, crop, seed, farmer

1. Plant part that absorbs water
2. Contains what's needed to grow a plant
3. To plant
4. Sharp part of a plant
5. What is harvested.
6. To dry up and shrivel
7. Person who plants
8. The earth a plant grows in.

"But the ² falling on good ⁸ refers to someone who hears the word and understands it.

This is the one who produces a ⁵, yielding a hundred, sixty or thirty times what was ³n."

MATTHEW 13:23, NIV

A Note from the Office Administrator

With the changes in CDC and the Arkansas Conference guidelines in regards to Covid-19, we are slowly getting back to normal! We are now back to wearing name tags in church again. This will aid us in welcoming new visitors as well as act as a refresher after not seeing each others faces for so long! HA-HA! If anyone needs a nametag, please let the office know.

A TALE

By Jennie Lewis

Once upon a time –
As all good stories start-
There was a little woman
Who had a tender heart.

For every dog or cat or bird
In her travels that she met
She had to stop a little while
And speak to it and pet.

One day she saw this tiny stray
And thought to take it home.
“In future days it will take care
Of rodents that may come.”

The kitten knew it had it made
It meowed most plaintively.
The little woman held it close,
“You’ll have a home with me.”

And so the cat – for kittens grow –
Now sits and rules the house,
And the woman uses store-bought traps
If she wants to catch a mouse.

Ministry Highlights

Summer Read and Feed

As we have previously stated, we received a grant from the Methodist Foundation of Arkansas to assist us in helping children to be fed and to receive books.

Beginning on Thursday, June 10, we will start our Summer Read and Feed program for children. This is also the date that we will begin serving our sack lunch indoors as well as continue with a curbside pickup. While the lunch time starts at 11:00 am, the time for Read and Feed will begin at 11:30 am.

At 11:30, children accompanied by an adult will not only receive a sack lunch but will also get a story read to them. Stories will be provided either in person or through a video from people within our congregation. When the children leave, they will all receive a free book to take home with them.

You may be asking “How can I help?”. The answer is pretty simple. You can help by volunteering to read a book, either in person or by being videoed. You can help by volunteering to assist in our Lunch ministry to make sandwiches or help distribute lunches to those who gather indoors. You can help by donating new and gently used children’s books for children of all ages. You can help in so many ways. To volunteer in any of these ways, simply call the church office at (870) 257-3869.

We look forward to helping children this summer receive books and be encouraged to read more.
